## PROGRAM OPTIONS

Welcome to another great year of afterschool programs at the JCC, where we strive to provide the safety and convenience you need and the fun and excitement your children desire!

**Kids' Konnection (KK)** caters to students in kindergarten through second grade with daily group time, stimulating supervised activities, and fun projects and games.

**Kids' Club (KC)** for third through fifth graders is designed to meet the interests of older students with designated homework time, separate hang-out spaces, and expanded activity choices.

Note: Parents interested in afterschool activities for 6th-8th graders should ask about our Middle School Helpers program.

## DAILY SCHEDULE

3:20	Hebrew Day School students arrive
3:20-4:00	Group time for KK / Homework time for KC
4:00-4:20	AAPS students arrive and snack is served
4:20-5:20	Enrichment classes or organized activities
5:20-6:00	Free time for homework, games, crafts, etc.

Group time provides an intimate environment for **KK** students to gather for activities such as story telling, group games, holiday projects, or challah baking on Fridays. Homework time for **KC** students takes place in a separate, quiet area.

Students are escorted to and from their enrichment classes by JCC staff (**KK/KC** participants pay a reduced fee for classes). Students remaining in **KK/KC** enjoy stimulating activities such as arts & crafts, gym sports, board games, computer time, and outdoor recess on our wonderful playground.

## TRANSPORTATION OPTIONS

Hebrew Day School students are escorted to **KK/KC** after school. AAPS buses provide transportation to the JCC from Bryant, Pattengill, and Ann Arbor Open. In some cases, the JCC may be able to provide transportation from other schools for an additional fee (see Monthly Tuition Fees). Contact the JCC youth director in advance to discuss transportation arrangements.

## DAYS OFF PROGRAMS

The JCC offers School's Out and Vacation Fun Day programs for an additional fee from 8 am – 6 pm whenever schools are closed but the JCC is open (advance registration is required). Students enrolled in **KK/KC** on the days these programs occur do not have to pay for PM Care from 4-6.

The JCC also offers Snow Day programs from 10 am – 6 pm if schools are closed due to the weather but the JCC is able to open. Students enrolled in **KK/KC** on the day of the Snow Day program pay a reduced fee.

## MONTHLY TUITION

## DROP-IN FEES

<b>KK/KC</b> Participants	\$14 per drop-in
Other JCC Members	\$16 per drop-in
Non-Members*	\$20 per drop-in

\*Non-members are limited to 3 drop-ins per school year

Drop-in care is available for students who need afterschool care infrequently or less than 2 days per week, and for **KK/KC** participants who need extra days of care. To reserve a drop-in space, you must notify the JCC youth director as well as your child's school. A Child Information Record must be on file for all drop-in students. There is a \$6 fee for drop-in transportation.

## REGISTRATION POLICIES

JCC membership is required to register for **KK/KC**. All JCC financial obligations must be current prior to registration. Registrations are accepted throughout the year; fees can be prorated for students who begin midway through a month.

Payment for the first month is due with registration; subsequent payments are due on the 1st of each month. A \$10 late fee will be assessed for payments received after the 10th of the month. If your bank offers automatic bill payment, you may be able to set up recurring monthly payments to the JCC. To avoid fees to you or the JCC, please request automatic payment via check (instead of EFT).

Tuition takes into account JCC holiday closures and is spread over the nine and a half months of the school year for your convenience (June is discounted 50%). No reimbursement is given for absences due to weather closures, illness, vacation, or other personal reasons, but students may make up a missed day later in the week (advance notice is required). A \$10 fee will be charged for students picked up after 6:00 pm.

Schedule changes and withdrawals can be made throughout the year, but may not become effective until one month following notice of the change. A \$15 schedule change fee per student will be charged each time you make a schedule reduction; there is no schedule change fee to switch to different days or add additional days.
